I am working flexiplace today and **you can reach me to discuss on my EPA cellphone at 415.760.9170** or shoot me an e-mail when you are at your desk and I can give you a call regarding setting up a call with Rep. Roybal-Allard's office for next Wednesday, July 20th. Looks like they wish to do a call at 2:00pm PT.

Hello Ana:

I've asked Brent to help me on the scheduling front. I was out unexpectedly on Monday and have not had a chance to connect with my other colleagues who provided most of the narrative in our responses to questions from Congressman Becerra's staff. Let me and Brent follow up tomorrow and we will hopefully be able to confirm the slot I proposed.

Thank you for your patience

Enrique
